Your Laboratory

## STUART EQUIPMENT

Looking for a Hotplate or Hotplate/Stirrer? Don't settle for second best.

Stuart offers a comprehensive range of hotplates and hotplate stirrers. Hotplate/stirrers are available in two sizes 16x16cm and 30x30cm. 30x30cm units all have simple analogue control and are available with either a robust metal alloy surface or a chemically resistant ceramic one.

E.g.

US152 Stirrer/ hotplate, coated aluminium plate

UC152 Stirrer/ hotplate, ceramic plate

Also available are digital versions.

E.g.

CD162 Digital stirrer/hotplate, ceramic plate, 500W

SD162 Digital stirrer/hotplate, aluminium plate, 700W

### The product range from Stuart includes:-

Block heaters, centrifuges, colony counters, flocculators, heating mantles, homogenisers, incubators, melting point apparatus, overhead stirrers, rotary evaporators, rotators, shakers and mixers, water baths and more....

Call us now with your requirements and request a quotation
