## Fisherbrand Vortex Mixers

**The Fisherbrand Classic Vortex Mixer** combines the highest performance ratings in terms of speed with excellent reliability and safety. Fisherbrand™ Classic Vortex Mixer includes two operating modes, the possibility to change the vibration frequency, and a wide range of accessories.

- Variable speed operation, electronically controlled up to 3000 rpm
- Large choice of accessories to suit tubes, plates and flasks
- IP 42 protection against particles and liquids

**The Fisherbrand Wizard Vortex Mixer** detects the presence of the test tube and the instrument automatically starts vibrating. Fisherbrand™ Wizard™ Infrared Vortex Mixer ensures high stability and increased user-comfort. It offers two operating modes as well as the possibility to regulate the speed of vibration.

- Vibration starts when tube is detected by IR
- No fatigue as no pressure is required - Eliminates repetitive strain injury
- IR sensor and continuous modes
