New Generation Sterilisers

The first touch screen steam sterilisers in the United Kingdom. An interactive display offers a user friendly experience, responding quickly to the simplest of touches. Three models available—17L, 22L and 45L.

- Fastest cycle time on the market eg 17L model—35 mins
- All models come complete with 3 trays, USB & printer
- Price includes one hour installation & training by Excel Healthcare specialist
- 3-4 day lead time from date of order
- 12 month warranty
- Fits any standard workbench
- Fully automated door - no handle
- Consumes less water than any autoclave on the market

FREE TOWER 200 WATER DISTILLER

The Tower 200 water distiller produces 1.6L of distilled water per day. It has a four litre tank capacity, stainless steel tank and lid, plastic shell and a polycarbonate collection bottle.
