# Alcohol Hand Gel New Stock New price

## How to avoid catching or spreading coronavirus

- Wash your hands with soap and water often – do this for at least 20 seconds
- Always wash your hands when you get home or into work
- Use hand sanitiser gel if soap and water are not available
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin straight away and wash your hands afterwards
- Try to avoid close contact with people who are unwell
- Do not touch your eyes, nose or mouth if your hands are not clean
